Spring Clothing Event at the Opportunity Center

Moms enjoy shopping for free clothing and accessories.

Rosa & Marta—the Dynamic Duo of INMED USA.

Volunteers make the INMED USA world go round.

More than 300 people turned out for our quarterly clothing and family resource giveaway on April 17, thanks to a bounty of in-kind donations from community partners and an army of faithful volunteers. INMED USA's Opportunity Center has become a community hub of resources to help families survive COVID and emerge healthy and equipped to build stable and self-reliant households for raising resilient children.

We are especially grateful to **Walmart, Supercenter Dulles, Lisa Jones of Sip and Shot Us** and **Solitaire Carroll of One Sparrow** for keeping our Opportunity Center well stocked with resources that families and children need—like these amazing backpacks and school supplies, as well as regular donations of hygiene and toiletry products and daily essentials for families struggling through the pandemic. Please click on their names to give them a shout-out on Facebook.

Zumbathon!

We're having so much fun with our weekly Zumba class that we decided to have a Zumbathon!

Held on April 17, the event was organized by volunteer Lucero Ortiz and St. Gabriel's Episcopal Church to raise support for DACA students. We were thrilled to host it at our Opportunity Center in Sterling.

Expanding Our Offerings for At-Risk Youth

Piping hot coffee, warm mini bundt cakes and glorious weather drew a nice crowd to a recent outdoor informational event in Leesburg, VA. INMED USA Programs Director Jennifer Smith and her team clad in green shared plans for expanding INMED's services to at-risk youth in Loudoun County. INMED has been building pathways for vulnerable children and families to achieve well-being and self-reliance in the county since 1988.

Special thanks to our USA "green team" for turning out on a Saturday to help, **Nothing Bundt Cakes Dulles** for the awesome bundtinis, **Dunkin' Donuts** for the coffee and Laura D'All of **Copy General** for printing the beautiful posters and signs. [CLICK HERE](#) for updates.

GiveChoose Thank You!

We set a lofty goal of raising \$10,000 during GiveChoose last month. Thanks to our faithful supporters, we not only exceeded our goal but won \$1,500 in bonus bucks as well! We are grateful for everyone who donated and encouraged their friends to join them. Together, we're transforming the future for kids and families in need.

Did You Read About Us?

A big thank you to Middleburg Life Magazine and writer Victoria Peace for the excellent feature article on the global launch of the INMED Aquaponics® Social Enterprise (INMED ASE) and how our programs in Loudoun County are paving the way for INMED ASE in the US.
